<p>June 17-21</p>	<p><b>9am-noon Cats!</b> We will be using a variety of different materials to create a week full of cats! Projects will include finger puppets, 3-D cats, cat family portraits, cat tissue paper paintings, cat masks, and creating our own cat short story and poetry books. Ages 5-8 \$135</p>	
<p>June 24-28</p>	<p><b>9am-noon Bug Out!</b> Do insects have fan clubs? Sure they do and we will become fans by making our own t-shirts, masks and bug prints. Let's show how much we love insects by creating our own giant paper mache creature. Who knows, maybe we'll even create a bug rock band? Ages 5-8 \$135</p>	<p><b>1:00-4:30pm Puppets</b> We will be using a variety of materials to create many different types of puppets this week. Some of the projects will include making a family of finger puppets, simple sock puppets, folded paper puppets, and we will also experiment with marionette creations. Ages 7-11 \$160</p>
<p>July 1-3</p>	<p><b>9:30-11:30am Little Birds of a Feather</b> Explore birds and experiment with different ways to make art in your first art camp experience, designed for those who have not yet attended kindergarten. Spread your wings and fly into this mini art camp! This session is limited to 6 participants. Ages 4-5 \$60</p>	
<p>July 8-9</p>	<p><b>9am-3pm Brazil!</b> Bem vindo ao Brasil – Welcome to Brazil! An intensive multi-media art and cultural experience featuring the old and the new, the Amazon rainforest, Brazilian folklore, food and dancing. Ages 7-11 \$120</p>	
<p>July 15-19</p>	<p><b>9am-noon Mini Makers</b> From paper marbling to 3D sculpture, we will be making art out of a wide range of materials. Bring your creativity and imagination and let's Make Art! Ages 5-8 \$135</p>	<p><b>1:00-4:30pm Art in Math &amp; Nature</b> Explore and make art using tessellations, number patterns like the golden rectangle and Fibonacci, fractals, tangrams and MORE! Multi-media with drawing, collage and painting. Ages 7-11 \$160</p>
<p>July 22-26</p>	<p><b>9am-noon STEAM Rollin'</b> Science, Technology, Engineering, Art &amp; Math! We will be making lots of art while exploring science and math topics, too. Join us and see how they all come together. Ages 5-8 \$135</p>	<p><b>1:00-4:30pm Storybook Landscapes</b> Books record our history, communicate ideas, and tell a story... but can they do more? We will take an old, ordinary book that is heading to the trash, and recycle it into something extraordinary: a 3-D fairytale landscape. Bring a worn-out book and an open mind as we put a new spin on the old saying: "from trash to treasure". Ages 7-11 \$160</p>

July 29 – Aug 2	<b>9am-3pm Comics &amp; Cartooning</b> From your imagination to the page and beyond! Create your own realistic or make-believe characters and bring them to life this week. Set the scene and tell their story through sequential drawing, animation, puppetry and theatre games. Ages 7-11 \$240	
Aug 5-9	<b>9am-noon We Can Build It!</b> Buildings are giant sculptures that people can go into. Let's create a castle or a tower or an ancient pyramid. Let's make a building of the future. We will do cool architectural art with wood, metal, clay and paper mache! Ages 5-8 \$135	<b>1:00-4:30pm Clay Camp</b> Explore hand-building techniques and learn how to use patterns and textures to decorate surfaces. All materials and time for glazing are included in the fee. Our returning and older students will be offered expanded options. Ages 9+ \$195
Aug 12-16	<b>9am-noon Ways to Go</b> Do you want to design your own car or your own flying machine? Do you want to set sail on the high seas with your specially designed ship? We will have so much fun figuring out how to make things fly, roll and sail. We can take your ideas and use found objects, wood, paint and clay to make them come to life! There are so many ways to go! Ages 5-8 \$135	
	<b>1:00-4:30pm Clay Camp</b> Explore hand-building techniques and learn how to use patterns and textures to decorate surfaces. All materials and time for glazing are included in the fee. Our returning and older students will be offered expanded options. Ages 9+ \$195	
	<b>1:00-4:30pm Drawing Outside the Boundary</b> Students will review drawing foundation skills initially for the first few days and then explore new media with the introduction of non-traditional materials. Example of contemporary artists and samples of unique techniques will be reviewed. This class is taught upstairs in our adult studio at 818 Pike Street by a professional artist. Ages 11+ \$155	
Aug 19-23	<b>9am-noon Color Printmaking</b> Explore COLOR and PRINTMAKING through scientific experimentation and art creation. Make original prints and works of art in a fun, creative environment using various materials and a number of techniques. Ages 5-8 \$135	
	<b>1:00-4:30pm Color Printmaking</b> Explore COLOR and PRINTMAKING through scientific experimentation and art creation. Make original prints and works of art in a fun, creative environment using various materials and a number of techniques. Ages 7-11 \$160	
	<b>1:00-4:30pm Acrylic Painting TRICKS to use with Collage</b> Students will learn how to produce an "Acrylic Lift", Stamping, Sgraffito and Rice Paper Transfers. The students will experiment with acrylics in the first few days of the class and then finish a final collage on a "theme" of their own choosing. The final Mixed Media art work will incorporate both traditional painting and non-traditional techniques. This class is taught upstairs in our adult studio at 818 Pike Street by a professional artist. Ages 11+ \$155	

---

*Our studio is downstairs at 824 Pike Street in Lemont. Sessions limited to 12 students - wait lists are maintained. All art supplies are included. Full payment is required at time of registration unless special arrangements have been made with the office.*
